# MARATHON CONSOLIDATED

## SHARE PRICE & NET ASSET VALUE UPDATE – 31 OCTOBER 2023

Marathon provides our Investment Partners access to our unique approach to investing. Our preference is to own a diverse group of assets that generate cash flows and provide an opportunity for capital appreciation with minimal risk of impairment. Marathon may hold meaningful amounts of assets in the safety of cash – patiently protected, whilst qualifying investments are being sought after.

### Comparison of \$100,000 Investment over time

Important Information: Performance and analytics are provided only for the Net Asset Value of Marathon ordinary shares. Actual performance will differ for Investment Partners due to the timing of their investment. The 2015 & 2016 results are Not Meaningful (n/m) given the initial startup costs that Marathon incurred relative to its initial capital base, the increase in Net Asset Value Per-Share primarily relates to capital raised throughout the 2016 year. Returns are net of all fees.

#### About Marathon Consolidated Ltd

Marathon is a balance between an old-fashioned public company, private equity and a hedge fund. We utilise many of the same tools as private equity and hedge fund managers - investment analysis, investment activism and adaptive management. We view our portfolio as dynamic, reacting to opportunities as they develop.

However, unlike private equity firms we avoid excessive debt. Compared to hedge funds, we provide our Investment Partners with transparency. Above all we are focused on the preservation of capital and delivering investment returns over the long term - through investments with a margin of safety and a durable growing earnings stream.

Marathon's investment manager is Menninger Capital. AFS License No. 455364
